

We are happy to announce an exciting new partnership between Kick Start Pediatric Therapy Network and Roots Autism Solutions!

Kick Start and Roots Autism Solutions will be working together to continue to provide expanded options to families in the Chicago area.

The collaborative relationship between Roots ABA therapy and all therapies at Kick Start is an outstanding opportunity for you child!

Roots Autism Solutions will be accessible to families who would like to have center-based ABA and in-home therapy, while maintaining their current therapy at Kick Start.
